

# Asian School of Nuclear Medicine

## Call For Abstracts

The Asian School of Nuclear Medicine (ASN) is now accepting abstracts for the ASN 2016 Annual Meeting, May 5 – 8, 2016 in Shanghai, China.

### **Abstract Deadlines**

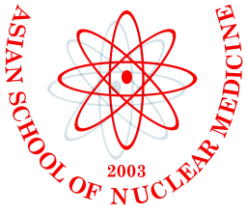

Online Submission Deadline - February 5, 2016

Notification on Acceptance – February 29, 2016

Registration Deadline for Attendants - March 18, 2016

### **Application**

Please find attached excel file with the email

## **Submission**

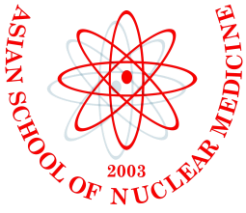

- Abstracts must be submitted electronically through email to the following email address: (with the Subject: ANMAF 2016 - Abstract)  
[secretariat@asiannmschool.org](mailto:secretariat@asiannmschool.org)

## **Abstract Submission Guidelines**

1. Research work should be original and innovative
2. There is no fee for submitting an abstract
3. There is no limit to the number of abstracts you may submit (however an individual may not be offered more than 2 oral presentations)

## **Abstract Content**

1. Abstracts will be accepted in English only (Please carefully proofread to ensure accuracy of published material. The Committee reserves the right to reject abstracts submitted in poor English, or may request an immediate revision by the author)
2. Abstracts must not exceed 500 words in length (not including title and authors)
3. Title must not exceed 30 words

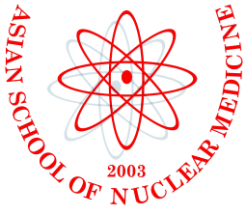

4. Capitalize the first letter of each word except prepositions, articles and species names on the title.
5. Do not include company's name and trademark-registered software and equipment in the title.
6. Abstract should be TEXT ONLY. Do not include Tables, Figures, and Graphs

### **Abstract Structure**

1. Title and Authors
2. Background – Specification on the purposes of research
3. Methods – brief description of relevant experimental procedures
4. Results – Summary of the results
5. Conclusions – Concluding statements and implications of study
6. Keywords – List more than 3 keywords to distinguish the abstract for indexing purposes

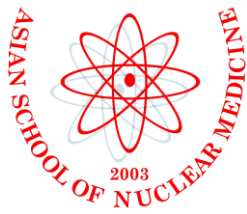

### **Authors**

1. The presenting author of an accepted abstract must be confirmed and registered by March 18, 2016

## **Rising NM Professional Challenge**

- 1) Candidate must be Nuclear Medicine Professional under the age of 45
- 2) Abstracts submitted for Rising NM Professional Challenge will be reviewed by the Scientific Committee and will be judged solely on the data submitted. The final decision on the candidates lies at the sole discretion of the Scientific Committee (One per participating region/country)
- 3) Candidates will present to a panel of judges within a ten (10) minute timeframe
- 4) Topic of presentation must be derive from the following four (4) fields of Nuclear Medicine:
  - a) Basic Science Research of Nuclear Medicine
  - b) Clinical Research of Nuclear Medicine
  - c) Nuclear Medicine Imaging
  - d) Nuclear Medicine Therapy
- 5) Candidates selected for the Rising NM Professional Challenge will be awarded with \$500USD to support and promote the development of young Nuclear Medicine Professionals.
