Letter from the Chairman

Dear Friends and Colleagues,

On behalf of the organizing committee, I would like to extend a warmest invitation for you to participate on the 16th Asia Oceania Congress of Nuclear Medicine and Biology (AOCNMB 2024) in conjunction with the Indonesian Congress of Nuclear Medicine, taking place in Bali, Indonesia from September 5th to 7th, 2024. This annually scientific meeting aims to provide participants with a comprehensive overview of the latest developments and updates from basic to clinical application of Nuclear Medicine, Molecular Imaging and Theranostics. It will draw a global audience from various sectors, including industry, academia, scientists, and other professionals involved in our field. I do hope this scientific meeting creating a great opportunity for networking and knowledge exchange. This scientific and intellectual interaction with the participation of prominent world-class faculty will not only enrich the participant's experience and outlook, but also promises to deliver cutting-edge perspectives and insights that will shape the future of nuclear medicine in Asia Oceania regions.

This event is very important for healthcare industrial sectors to promote their products, since the government of Indonesia has significant program in health transformation particularly in oncology, cardiology, stroke and urology, where Nuclear Medicine has an important role. By 2027 all general hospital in every province will be equipped with full facilities of nuclear medicine and theranostic molecular for better quality of medical services, particularly in the management of cancer.

We are therefore pleased about the support from the healthcare industry, which makes these events possible in the first place. At this point, a big thank you in advance.

Bali is a truly beautiful tropical island inhabited by remarkably artistic people, breathtaking panoramas of cultivated rice terraces, impressive volcanoes and pristine beaches. You can explore some of the stunning natural habitats that Bali has to offer, from coral reefs to volcanoes, traditional temples and culture, and also exotic dining.

Let us serve you with our hospitality and beautiful culture to get the experience from the magnificent congress. We will ensure that all of you will have so many fond memories, not only about the scientific aspects, but also the beautiful panorama and Bali Culture.

I wish you a fruitful congress and hope to see you all in Bali.

Your sincerely,

A. Hussein S. Kartamihardja
Chairman

Program at Glance

- Evolving role of Nuclear Medicine to a more established personalised & precision Medicine:
- Eight decades of theranostics from iodine-131 to novel agents:
- (theranostic thyroid cancer, PSMA radioligand therapy, PRRT, Fibroblast activation protein-based theranostics, alpha particles)

- from FDG to more specific PET tracers
- (FDG, PSMA, SSTR, LAT-1 targeting, CXCR4 imaging)
- from cardiac spect imaging to pet and amyloid imaging
- (Risk stratification, cardiac PET, viability, microvascular disease, amyloidosis)
- from brain perfusion spect to metabolic & protein imaging
- (Metabolic & protein imaging, parkinson disease)
- from the basic to a more clinical Medicine..
- (bone scintigraphy, imaging of infection/inflammatory imaging, radiosynovectomy, thyroid diseases)

Program at Glance (Tentative)

Day 1, Thursday, 5 September 2024				
Time	Ball Room 1 (300)	Ball Room 2 (300)	Puri Kencana 3 (36)	Puri Kencana 1-2 (80)
07.00 - 08.00	Preparation			
08.00 - 09.00	Registration			
09.00 - 10.00	Workshop 1	Workshop 2	Workshop 3	ARCCNM/ANMB Session
10.00 - 10.15	Coffee Break			
10.15 - 12.30	Workshop 1 continued	Workshop 2 continued	Workshop 3 continued	ARCCNM/ANMB Session
12.30 - 13.15	Luncheon			
13.15 - 15.00	Workshop 1 continued	Workshop 2 continued	Workshop 3 continued	FANMB Certificate Distribution
15.00 - 15.15	Coffee Break			
15.15 - 17.00		Workshop 2 continued	Workshop 3 continued	ISNM-TM CONGRESS
17.00 - 18.45				

Program at Glance (Tentative)

Day 2, Friday, 6 September 2024			
Time	Ball Room 1	Ball Room 2	Puri Kencana
07.00 - 08.00	Preparation		
08.00 - 09.00	Registration		
09.00 - 10.00	Opening ceremony		
10.00 - 10.30	Opening Exhibition and Coffee Break		
10.30 - 11.15	Plenary Session 1		
11.15 - 12.00	Industrial Penary Session 1		
12.00 - 12.45	Industrial Symposium 1	Industrial Symposium 2	Industrial Symposium 3
12.45 - 13.15	Friday Pray Break		
13.15 - 14.00	ICRT - WARMTH	Symposium 2	Symposium 1
14.00 - 14.45		Symposium 4	Symposium 3
14.45 - 15.00	Coffee Break		
15.00 - 15.45	ICRT continued	Symposium 5	Symposium 7
15.45 - 16.30		Symposium 6	Symposium 8
19.00- 22.00	WELCOME / GALA DINNER		

Program at Glance (Tentative)

Day 3, Saturday, 7 September 2024			
Time	Ball Room 1	Ball Room 2	Puri Kencana
07.00 - 08.00	Preparation		
08.00 - 08.45	Plenary Session 2		
08.45 - 09.30	Industrial Penary Session 2		
09.30 - 10.15	Symposium 10	Symposium 9	Tomio Inoue Award Abstracts Presentation
10.15 - 10.30	Coffee Break		
10.30 - 11.15	Symposium 11	Symposium 13	Tomio Inoue Award Abstracts Presentation (continued)
11.15 - 12.00	Symposium 12	Symposium 14	
12.00 - 12.45	Industrial Symposium 4	Industrial Symposium 5	Industrial Symposium 6
12.45 - 13.00	Free Time		
13.00 - 13.45	Plenary Session 3		
13.45 - 14.30	Symposium 17	Symposium 15	The Official AOFNMB National Delegate Assembly
14.30 - 15.15	Symposium 18	Symposium 16	
15.15 - 16.00	Coffee Break		
16.00 - 16.15	Symposium 19	Symposium 21	Symposium 23
16.15 - 17.00	Symposium 20	Symposium 22	Symposium 24
17.00 - 17.30	Closing Ceremony
